## THE APARTMENT COMPANY®

20TH ANNIVERSARY

Price Guide £375,000 - £400,000

2 Horstman Villas is a well-presented two-bedroom maisonette arranged over the first and second floors of an attractive Victorian villa, part of a prestigious development in the sought-after residential area of Newbridge. Originally built around 1848 as the earliest significant buildings in this part of Newbridge Road, the villas were sympathetically converted into self-contained apartments in 2006, retaining their historic character while offering spacious, light and modern interiors.

The property benefits from its own private front door, ensuring privacy and security, and two dedicated off-road parking spaces. On the first floor, there is a bright and spacious open-plan kitchen, living and dining room with high ceilings, creating an ideal space for both relaxing and entertaining. Upstairs, the top floor offers two comfortable double bedrooms and a stylish bathroom. Residents also enjoy access to a communal garden area at the front and a shared patio between the villas.

The location is exceptionally convenient, with Chelsea Road just a short walk away, providing a vibrant mix of independent shops, a bakery, cafés, restaurants and everyday amenities. Larger supermarkets, gyms, and the Royal United Hospital are close at hand, along with Bath Spa's Locksbrook Campus and the extensive green space of Royal Victoria Park. Excellent public transport links, including rail and bus services, make the city centre easily accessible, while nearby countryside, river and cycle paths (including the Bath to Bristol route and Two Tunnels) offer plenty of opportunities for recreation.
