THE ESTATE AGENTS

This three-bedroom detached house situated on a good sized plot is not to be missed! Entering the property, you are greeted by a large hallway, leading you directly to the bay-windowed living room, and on to the dining room at the rear, which has doors to the garden. The kitchen benefits from a room leading off from it, currently being used as a utility room, and a lean to. A downstairs cloakroom completes the ground floor. On the first floor are three bedrooms along with the family bathroom. This property is in need of some modernisation, but offers plenty of scope for buyers looking for potential. Externally, this property is on a 0.09-acre plot that is comprised of a front garden, a West facing rear garden and a double garage.
