Stella Maris, 14 Cromer Road, Sheringham. NR26 8RR

Stella Maris is a superb Edwardian dwelling offering extremely generous and beautifully proportioned accommodation arranged over three floors. The property underwent a significant renovation programme in 2016 to create the wonderful home it is now. There are a number of modern features within the property yet the original character has also been retained where possible. The accommodation has gas fired central heating throughout and all the windows were replaced during the refurbishment.

The property is conveniently located just a short walk from the Town Centre with both bus and rail services close by too. Properties such as this do not come to the market often and we thoroughly recommend a private viewing to any applicant seeking a quality home with generous accommodation.
