Phil Hall Estate Agents brings to the market this spacious and beautifully presented one-bedroom top floor apartment, ideally situated on South Street in the heart of the highly sought-after Little Chelsea area of Eastbourne. Conveniently positioned within walking distance of the town centre, mainline railway station and a wide range of local amenities, this impressive property is offered to the market chain free, making it an excellent opportunity for first-time buyers, investors or those seeking a well-located home.

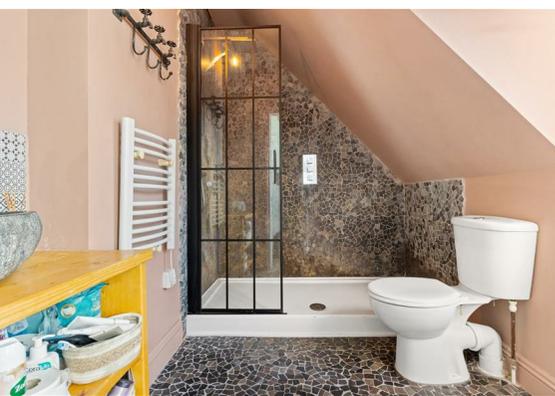

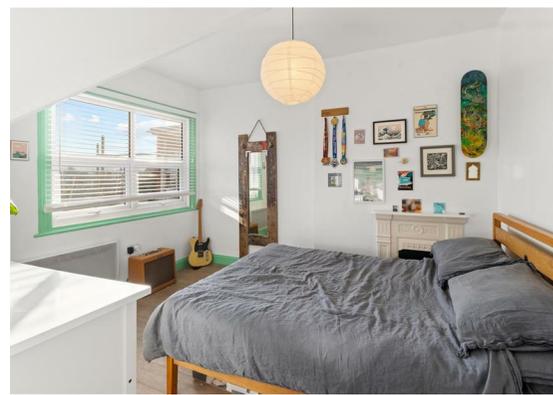

Accessed via the communal entrance with stairs rising to the top floor, the apartment opens into a generously proportioned entrance hall that immediately showcases the thoughtful layout of the home. The hallway provides access to all principal rooms and benefits from three built-in storage cupboards, one of which conveniently houses the washing machine. In addition, there is a dedicated recessed area that lends itself perfectly to a small desk or study space, ideal for those working from home or requiring a practical workspace.

The main living space is a bright and inviting open plan living room/kitchen, positioned to the front of the building. This well-designed room is clearly defined, with a comfortable living area to one side and a stylish, functional kitchen to the other. A large front-facing window allows natural light to flood the room, enhancing the sense of space and creating a warm and welcoming atmosphere.

The kitchen is fitted with a range of wall-mounted and base units with work surfaces over. Integrated appliances include a fitted oven and hob with extractor hood above, while there is designated space for an under-counter fridge. A breakfast bar provides an ideal spot for casual dining and further defines the kitchen area.

The double bedroom is rear facing, enjoying a quieter aspect and offering comfortable accommodation with space for freestanding furniture. Completing the internal accommodation is the modern shower room.
