Howard Cottage Eastbourne Road

Pevensey, BN24 6DT

Phil Hall Estate Agents brings to the market this spacious three-bedroom detached chalet bungalow, enviably positioned on a substantial plot along Eastbourne Road in Pevensey. Offering a rare combination of flexible accommodation, extensive outdoor space, and a large private yard to the rear, this property presents an opportunity for those seeking a home with potential for improvement, business use, or further development (subject to the necessary consents).

Upon entering, you are welcomed into a useful entrance porch which opens into a generously proportioned kitchen/dining room. This space forms the heart of the home and is fitted with a range of base units, complemented by work surfaces and space for appliances. There is ample room for a family dining table, making it an ideal setting for both everyday living and entertaining. From here, an inner hallway provides access to the remainder of the ground floor accommodation.

The living room is a particularly spacious and inviting area, positioned to the right-hand side of the property. It benefits from a feature log burner, creating a cosy focal point, and enjoys plenty of natural light. Stairs rise from this room to the first floor, adding to the practical layout of the home.

Also located on the ground floor is bedroom three, situated to the front of the property, alongside a modern-style shower room fitted with a walk-in shower, low-level WC, and wash hand basin. Bedroom two is another well-proportioned room and offers excellent versatility; currently arranged as a bedroom, it could equally serve as a second reception room or home office. It further benefits from double doors leading back into the kitchen/dining room, enhancing the flow of the ground floor.

The first floor is dedicated to the master suite, and bathroom, which occupies the loft space and has been thoughtfully arranged into distinct zones for sleeping, dressing, and studying. This creates a highly functional and adaptable space.
