On approach, you are welcomed through a wooden gated entrance onto a generous, neatly landscaped driveway providing ample parking. A side access gate conveniently connects the front of the property to the rear garden.

To the front of the property sits a spacious L-shaped lounge, filled with natural light from dual aspect windows to the front and side. This inviting room also benefits from a feature fireplace with fire and surround, creating a cosy focal point.

To the rear of the property is a versatile reception room overlooking the garden which is currently used as Bedroom Three. The ground floor also benefits from a shower room comprising shower cubicle, WC and wash basin, with dual aspect frosted windows allowing for both privacy and ventilation, making it perfect for ground floor living.

The kitchen is positioned at the rear of the home and offers a range of worktops and cupboards with excellent storage. Dual aspect windows overlook the garden and a single door provides direct access outside.

The rear garden offers a combination of paved patio area — perfect for outdoor dining — and lawned space, along with a useful garden shed.

To the first floor, the landing provides access to two generous bedrooms and the main family bathroom, along with two large inset storage cupboards.

Bedroom Two is located to the front of the property and benefits from a large window showcasing the beautiful rural outlook, along with fitted wardrobe cupboard space.
