The Silversmith is a stunning four-bedroom family home, thoughtfully designed with light-filled rooms and a distinctive L-shaped layout. This clever design creates a mix of dual- and triple-aspect rooms that draw in natural daylight, providing generous space for family life and entertaining guests.

At the heart of the home is the open-plan kitchen and family area, a spacious and sociable setting for cooking, relaxing, and spending time together. The U-shaped kitchen includes an array of integrated appliances, breakfast bar for casual dining, and French doors from the family area opening onto the rear garden, perfect for morning coffees or evening drinks. A handy storage cupboard in the kitchen provides an ideal spot for appliances or could be used as a pantry.

The separate living room also features French doors to the garden, allowing seamless indoor-outdoor living. A formal dining room is situated in a quiet corner of the home, offering a private space for entertaining, or alternatively could serve as a playroom or home office. The ground floor is completed by a cloakroom and a second storage cupboard near the front door.

Upstairs, all four bedrooms are thoughtfully positioned to maximise privacy. The principal bedroom benefits from an en-suite shower room, while the remaining three bedrooms share the family bathroom. Two of the bedrooms are double in size, and a landing storage cupboard provides a practical space for towels and linens, keeping the home organised and clutter-free.

There is ample off road parking and a single garage with up and over door to front.
