Nestled in the tranquil countryside of Mid Suffolk, this enchanting six bedroom farmhouse offers a perfect blend of rustic charm and modern convenience. Steeped in history, the property boasts a wealth of original features, including exposed timber beams, traditional brick fireplaces, and period flooring that add character throughout.

Set on expansive grounds, this picturesque farmhouse enjoys uninterrupted views of the surrounding farmland and rolling Suffolk hills. The spacious interior offers a range of flexible living spaces, ideal for family life and entertaining, with a large farmhouse kitchen, multiple reception rooms, and a dining area. Each of the six generously-sized bedrooms provides a peaceful retreat, with natural light flooding through the property's traditional windows.
