Haverhill is a thriving and popular market town, the fastest growing in Suffolk, and is one of the most convenient towns for access to Cambridge (17 miles), London Stansted Airport (around 30 minutes drive) and the M11 corridor. There is a mainline rail station at Audley End (12 miles) direct in to London Liverpool Street. Despite its excellent road links, Haverhill remains a relatively affordable place to buy and rent a property. Continuing private and public investment into the town provides it with growing residential, commercial and leisure facilities. Current facilities include High Street shopping with a popular twice weekly market, out of town shopping, public houses, cafes, restaurants, social clubs and hotels, a well-respected 18 hole golf course, a comprehensive nursery and schooling system, a well used sports centre with all weather pitches, gymnasia, churches of various denominations and much more. The town centre is attracting a growing number of national chains and there is also a town centre multiplex cinema complex with associated eateries.
