Guide price £360,000

Marriott Vernon present to the market this spacious three bedroom mid-terraced period property spanning over 1200 sq ft offering a fantastic opportunity for buyers seeking a full renovation project.

Arranged over two floors, the property comprises three reception rooms, a separate kitchen, and access to an overgrown rear garden — providing scope for landscaping or future extension (STPP). To the first floor are three well proportioned bedrooms (main bedroom 20'2 x 14'0 into bay) along with a family bathroom and separate WC.

The property does require a full programme of modernisation and is offered to the market with no onward chain, making it ideal for investors, developers, or those looking to create a bespoke family home.

Located in a well-connected part of South Croydon, the property benefits from easy access to local amenities, reputable schools, and a range of transport links.

The freehold interest with vacant possession is for sale by informal tender and all offers are to be received by Monday 22 September by 1.00pm.
