CASH BUYERS ONLY - Marriott Vernon present to the market this well proportioned three bedroom terrace period property with private garden and no onward chain, conveniently situated close to both West and East Croydon stations and town centre amenities.

The property does now require a full programme of modernisation, but offers a fantastic opportunity for buyers seeking a full renovation project, with enormous scope to update and refurbish throughout - ideal for investors, developers, or those looking to create a bespoke family home. However, due to the poor condition the property is un mortgageable and only cash buyers will be considered.

Arranged over two floors, the property comprises three reception rooms, a separate kitchen, and access to rear garden — providing scope for landscaping or future extension (STPP). To the first floor are three well proportioned bedrooms along with a family bathroom and separate WC.

The property is superbly located within a short walk of both West and East Croydon stations, providing fast and frequent links into Central London, Gatwick and the South Coast, with Tramlink and bus connections also close-by, linking the surrounding area. Croydon town centre is moments away, offering a huge selection of shops, bars, restaurants and amenities, as well as leisure facilities including a cinema complex.
