£385,000

The property comprises a welcoming entrance hall leading through to the large open plan entertaining space which is large enough to incorporate the kitchen, dining and living area. The room is filled with plenty of natural light via large skylights and patio doors opening out onto the enclosed rear garden. The kitchen has been recently updated and enjoys integrated appliances along with ample storage and counter-top space. A separate study/snug offers additional ground floor living along with a cloakroom and large storage cupboard for added convenience.

On the first floor are two well-proportioned double bedrooms with the master bedroom benefiting from a tastefully decorated en-suite shower room, whilst the second bedroom is currently set up as an additional living room, enhanced by the Juliet balcony overlooking a central landscaped green with a small children's play area. The second floor provides two further double bedrooms, both with large roof windows, along with a modern family bathroom.

This substantial home offers a versatile layout that can easily adapt to changing family needs while providing an abundance of living space. The property is presented in excellent decorative order throughout and further benefits from double glazing and gas fired central heating.

Externally, the rear garden has been landscaped for ease of maintenance and incorporates patio, mature shrubs as well as a small pond and seating area. A side gate leads out to the garage, which is positioned adjacent to the property, and offers excellent storage space or use as a home office/gym/hobby room. The lengthy driveway provides off road parking for several vehicles.

Kingley Gate is a popular modern development located on the edge of Littlehampton town centre, where a wide range of shops, supermarkets, banks and eateries can be found within approximately half a mile. The picturesque River Arun is also within easy reach, offering scenic riverside walks, waterfront restaurants and access via the footbridge to the renowned West Beach and surrounding coastline. Kingley Gate itself benefits from a convenience store for added convenience.
