The property features two double bedrooms, with the master benefiting from fitted wardrobes installed in 2024. A bright and airy triple-aspect lounge provides views across the gardens and has a log burner discreetly located behind an electric fire. The modern kitchen is stylish and functional, fitted with an integrated hob and oven, offering ample workspace and storage. A well-appointed family bathroom includes a shower over the bath, and there is a dedicated office area with integrated utility space, ideal for home working or everyday practicality. The home benefits from gas-fired central heating (boiler located in the loft) and double glazing.

The former detached garage has been thoughtfully converted into a detached salon/beauty room, providing excellent potential for a home business, studio, or flexible workspace. The salon currently consists of a canopied entrance with inset spotlights and a cloakroom. The property also benefits from solar panels, which provide free electricity when charged, helping to reduce energy bills.
