It is our pleasure to present this first-floor apartment to the market, forming part of a small private development, approximately 1-mile from the village centre.

Constructed by Berkeley Homes, the property boasts extremely spacious and very well-appointed accommodation comprising; two/three bedrooms; a southerly facing living room; kitchen/breakfast room; dining hall; study/bedroom three; an independent bathroom; and an en suite shower to bedroom one.

Outside, there is a private garage with adjacent off road parking, as well as well-maintained communal gardens and a secluded walled garden for all residents to enjoy.

Additional attributes include; gas central heating, uPVC double glazing; a large loft storage area; and the notable benefit of a share in the freehold.

Cleeves Court is delightfully situated on the immediate outskirts of the village centre, equidistant to its busy shopping parade and picturesque seafront. Public transport links are also found in close proximity with bus routes operating along nearby Station Road and Angmering mainline railway, which provides a regular service to London Victoria via Gatwick, found within approximately 1-mile.

Rustington is centrally situated on the West Sussex Coast almost midway between the cities of Chichester and Brighton, and just south of the A259, which provides a link to the larger neighbouring towns of Bognor Regis and Worthing.

*AGENT'S NOTE: Bedroom three is, currently, arranged as a study, but could easily be returned to its original form.
