It is our pleasure to present this exceptional semi-detached 'Chalet' style bungalow to the market following considerable refurbishment by the current owners.

The bright and well-appointed accommodation also offers a degree of flexibility, but is currently arranged with; three bedrooms, the larger of which is on the first floor and boasts an en suite bathroom; southerly facing lounge with feature open fireplace and bay window; a stylish refitted kitchen/dining room encompassing a range of integrated appliances; study/snug with 'French' style doors to the rear garden, and a contemporary four-piece family bathroom.

The aforementioned rear garden is sizeable and well-enclosed. In addition to the generous lawned area, there is an adjacent partially sheltered patio. The garden can also be accessed externally via a side gate from the driveway that enables off-road parking.

Further attributes include a partially enclosed front garden; gas central heating; uPVC double glazing, and updated floor coverings.
