An attractive late Edwardian family house, favourably located in one of the village's premier roads, on Rustington's sought after Private Sea Estate.

This substantial detached character house, constructed circa 1910, has been in same family for the past 50 years. The property retains a great deal of charm and character, with many original features, and offers tremendous scope for sympathetic refurbishment.

The bright and spacious well-planned accommodation extends to approximately 1900 sq.ft. (including the garage) and comprises, in brief; a large porch and entrance hall, two reception rooms, a good sized kitchen breakfast room, and cloakroom, on the ground floor. On the first floor there are four bedrooms and a family bathroom with separate wc.

Particular features include, original internal panel doors, a full height bay window in the dining room and original wooden fireplace, powder coated aluminium double glazing with leaded lights and gas fired central heating, (boiler replaced in 2017).

The property stands on an attractive mature plot with a sizeable private rear garden, with a pleasant walled front garden and an attached garage.

Sea Avenue is one of Rustington's most desirable roads, located on Rustington's private Sea Estate and providing direct access to the seafront greensward and the foreshore.

Rustington's comprehensive village centre can be found within less than half a mile, with a wide range of independent and national retailers, including Waitrose supermarket. The village offers extensive amenities with cafes, restaurants, library, churches and doctors' surgery all close to hand.

Leisure activities close by include, a choice of Golf clubs, tennis at Angmering on Sea, and sailing at East Preston. Angmering mainline railway station (approx. 1 mile) provides a regular service to Gatwick Airport and London Victoria (90 minutes).
