Offered for sale with NO ONWARD CHAIN is this extended detached 'chalet' style bungalow, located at the end of a 'no through' road, within close proximity to the village centre.

This deceptively spacious property has been the subject of some improvement including an updated shower room and kitchen (approx. 2019), along with receiving redecoration throughout this year, yet there still remains scope for modification.

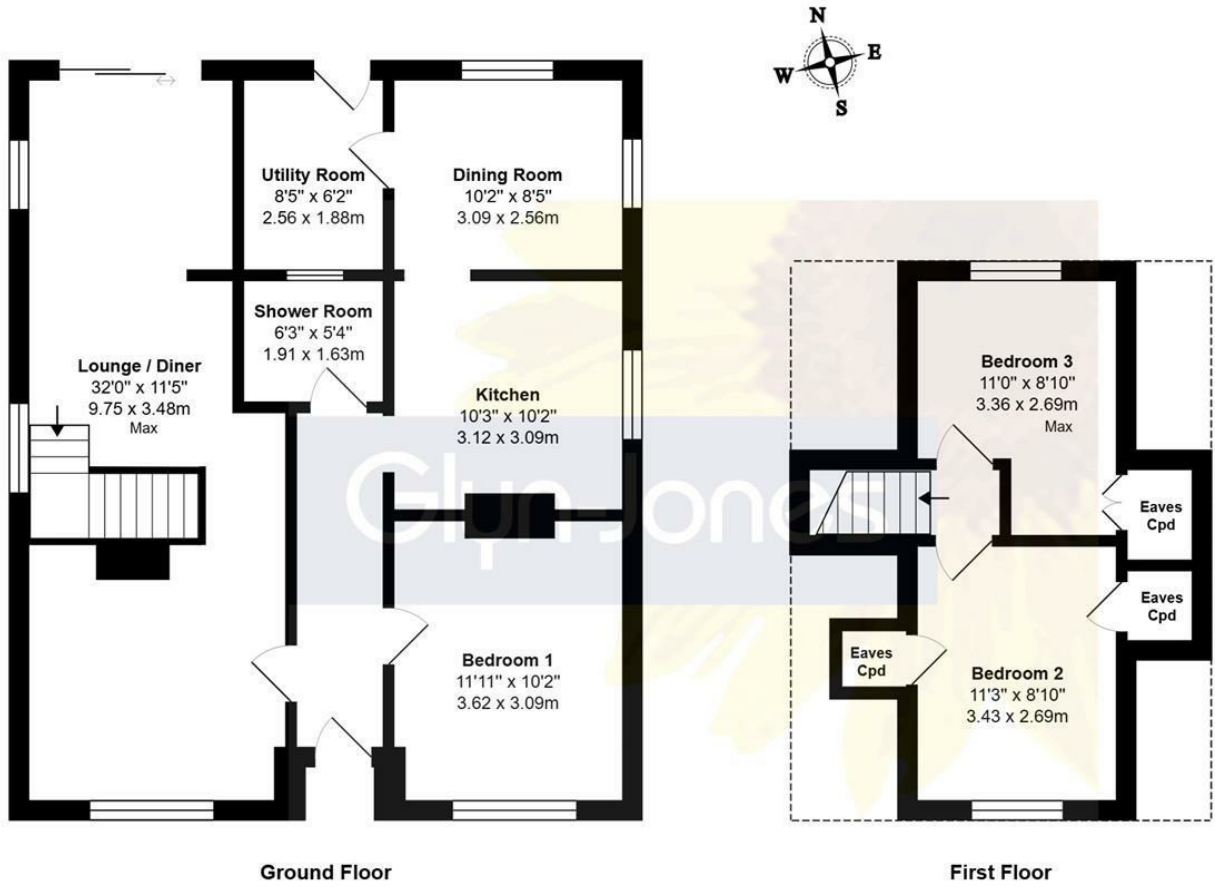

Alongside the above-mentioned, there are three bedrooms, one of which is located on the ground floor; a full length and triple aspect lounge/dining room encompassing a staircase to the first floor; separate dining room; and utility room.

A particular feature of the property is the generous and well-enclosed rear garden, which is mainly laid to lawn, and incorporates a large workshop.

Additional benefits include; gas central heating; double glazing; and off-road parking to the front of the property.

The situation of the property notably affords easy access to two highly regarded community primary schools, as well as Westcourt Medical Centre, and bus stops that run along North Lane where the renowned 701 service can be picked up. Furthermore, Angmering mainline railway station can be found within approximately 2-miles, offering a regular service to London Victoria via Gatwick.

Rustington is centrally situated on the West Sussex Coast almost midway between the cities of Chichester and Brighton, and just south of the A259, which provides a link to the larger neighbouring towns of Bognor Regis and Worthing.
