Ground Floor Retirement Flat (Age Restriction 65+) | Two Double Bedrooms | West Facing Lounge / Diner | Refurbished Bath / Shower Room | Kitchen | Electric Heating | Double Glazing | Well-Maintained Communal Gardens | House Manager With Emergency Pull-Cord System | Close Proximity To 700 Bus Route And Train Station | No Forward Chain

A well-proportioned retirement apartment situated on the favourable ground floor. The flat is ideal for those seeking security and peace of mind that a retirement property offers. There is a House Manager that can be alerted with a pull-cord system throughout the flat and additionally a 24-hour careline. The flat itself has an entrance hall with two deep built-in cupboards and an airing cupboard, two double bedrooms (one of which has built-in wardrobes), a west facing lounge/diner, fitted kitchen and a recently improved bathroom/w.c with separate shower cubicle. Other benefits include replacement double glazing and electric heating.

The property is, in our opinion, well presented and will be sold with no onward chain. To the front of the block there is communal off-road parking with bollard lighting and to the rear the communal gardens are a real feature having a mature fish pond, mature shrubs and bushes, seating areas and access into Langmead's Park to the back over the feature bridge. In addition there is a guest suite that can be used for visitors (if arranged with the house manager) and a communal lounge room.
