Mapps Estates are delighted to bring to the market this immaculately presented four/five bedroom modern family home overlooking the Rype in the heart of the town. This substantial semi-detached property was constructed in 2022 and has been finished to a very high standard throughout, boasting underfloor heating to the ground floor. The spacious ground floor accommodation comprises a large open plan living/dining room opening to the rear patio and garden, a luxury fitted kitchen with integrated AEG appliances, a separate utility room, a study/bedroom five, cloakroom and integral garage, while upstairs you will find four double bedrooms, the master bedroom having a luxury en suite shower room, and a separate family bathroom. With the added benefit of the remainder of a five year architect's warranty, a generous rear garden with a substantial recently-constructed outbuilding, ample off road parking and no onward chain, an early viewing comes highly recommended.

Located in the semi-rural town of Lydd on the Romney Marsh, with a selection of local shops and a primary school. There is plenty to do in the local area, with Dungeness National Nature Reserve, the Romney, Hythe & Dymchurch light railway, and golf courses all only a short drive away. The nearby Cinque Port town of New Romney offers a selection of independent shops and restaurants together with a Sainsbury's store, doctors, dentists and both Primary and Secondary schooling. The medieval coastal town of Rye and the popular beaches of Camber Sands are also within half an hour's drive as is the market town of Ashford. High speed rail services to London are available from Ashford International railway station approximately twenty-five minutes away by car, providing fast services to London St Pancras in only thirty-eight minutes. Ashford also provides access to junctions 9 and 10 of the M20 motorway, giving easy access to Maidstone, London and the Port of Dover, while the Channel Tunnel terminal at junction 11A offers direct rail links to mainland Europe.
