15 Monk Bridge Street

£275,000

The property also has a rear courtyard garden that has access down a number of stone steps to the lower ground floor.

This charming Victorian property is situated over four spacious floors. You access the property via a couple of steps that lead up to the front door. The timber front door opens into a large sitting room. You then enter a hallway that leads into an open-plan kitchen-diner or a staircase that climbs to the first floor. The kitchen diner is spacious with ample cupboards and worktop space. It has access out into the rear courtyard garden that can also give access down to the lower ground floor.

The lower ground floor was converted and tanked in 2006 to create additional living space. These improvement works were signed off by Building Control at Leeds City Council. The lower ground floor comprises two rooms; one of the rooms has a uPVC door that leads out and up to the rear courtyard garden.

The first floor comprises a landing. The landing leads to the principal bedroom, bedroom two, bathroom and a staircase to the second floor.

The second floor comprises a landing and two spacious double bedrooms.

The property also benefits from a new roof in 2018 and a new boiler in 2025.

This property is surrounded by many amenities. These amenities include, to name a few, a Waitrose Home and Food hall and a number of popular retailers at the Northside Retail Park, including an Aldi.

Meanwood has a number of popular cafes, bars, pubs and restaurants. Headingley is also only a short walk from the property, again offering an abundance of amenities.

Local green spaces are plentiful, with Meanwood Park being nearby and also The Grove Lane Nature Reserve being just a moment's walk.

The city centre can be accessed with ease from this location, being approximately two miles away.

In summary, we expect this property to be extremely popular given its location, price, finish and its no chain status.
