The ground floor has been carefully designed around modern living, with a brilliant open plan kitchen & dining room forming the heart of the home. The property is positioned behind a gated driveway, giving a lovely sense of privacy and security on approach. The front garden is well established and attractive, with mature planting and a paved driveway leading to the garage. To the rear, the garden is equally impressive, enjoying a lawn, patio seating area, raised beds, planted borders and a pleasant level of privacy. It is a fantastic outside space for families, children, pets or anyone who enjoys just being in the garden.

The garage is an excellent practical space, ideal for storage, bikes and tools. It can either be accessed by an up and over door or a door from the rear of the garage.

The Home

Internally, the accommodation begins with a welcoming hallway, finished with modern flooring and fresh decor. The hallway provides access to the ground floor accommodation, stairs to the first floor, along with a useful ground floor W.C. and storage below the staircase.

The sitting room is positioned to the front of the property and is a lovely bright reception room, enjoying a large window overlooking the front garden. This space flows through into the dining area, creating a great sense of openness while still allowing the sitting room to feel like a defined and comfortable place to relax.

The open plan kitchen & dining room is the standout feature of the home. It is a stunning, light-filled space with modern units, sleek work surfaces, integrated appliances, with space for white goods, an island and ample space for dining and relaxing. A large sliding door opens directly out onto the rear garden, allowing the inside and outside spaces to connect beautifully. The kitchen area continues through into a further section, offering additional fitted units including the oven & hob, worktop space and natural light with a further door that leads out into the rear garden.

To the first floor, a landing leads to three bedrooms, a modern house bathroom and a separate W.C. The principal bedroom is a generous double room with an impressive wall to wall wardrobes and a pleasant outlook. Bedroom two is another good size bedroom, while bedroom three would make a perfect child's bedroom, nursery, guest room or home office.

The bathroom has been modernised and is finished with stylish tiling, a bath with shower over, glass screen and a wash hand basin with vanity storage. A separate first floor W.C. adds further convenience and is ideal for family living.
