Introduction

The first viewings are Saturday 7th March 2026.

Ravenscar Terrace offers a great combination of character, style and an exceptional location. With its charming garden, beautifully presented interiors, and proximity to Oakwood's amenities, Roundhay Park, Gledhow Valley, and Leeds City Centre, this home is perfectly suited to professionals, first-time buyers or anyone seeking a lifestyle-focused location in North Leeds.

Viewing is highly recommended to fully appreciate everything this fantastic home and location have to offer.

Location

This delightful brick-built terrace home is superbly positioned just off Roundhay Road, discreetly tucked away at the end of a quiet cul-de-sac surrounded by mature trees at the end of the street, creating a peaceful and fairly private feel that is rarely found so close to local amenities.

Oakwood is a sought-after neighbourhood, prized for its village-style atmosphere combined with excellent connectivity. From the property, it is a short and pleasant walk to the bustling parades of shops and amenities along Roundhay Road, where you will find a wide variety of independent cafés, bars, restaurants, bakeries, convenience stores and supermarkets. Popular local favourites sit alongside everyday essentials, making this an exceptionally convenient place to live.

A stroll through the Oakwood shops leads directly towards Roundhay Park, one of Europe's largest and most loved urban parks. The park offers over 700 acres of open space, lakes, woodland walks, formal gardens and sports facilities. Whether you enjoy long walks, running routes, picnics, or simply relaxing by the water, Roundhay Park provides a stunning natural escape on your doorstep. In addition, Gledhow Valley Lake and surrounding woodland are just around the corner, offering beautiful scenic walks, wildlife, and a further sense of being immersed in nature despite the urban setting.

Leeds City Centre is easily commutable, located approximately 2.5 miles away, with frequent bus services running along Roundhay Road providing direct access into the city. For those who prefer to drive, the area offers straightforward access to the city centre, as well as links towards the ring road and wider motorway network, making this an ideal location for professionals.

Outside

To the front of the property is a charming and well-established garden with planted borders and mature hedging, providing an excellent degree of privacy. A patio seating area offers the perfect spot to sit out and enjoy the warmer months. With a south-west facing aspect, the garden is particularly appealing for professionals looking to enjoy sun after work during the summer.

Accommodation - Sitting & Dining Room

You enter this wonderful home through a traditional timber door into a stylishly finished and generously proportioned sitting and dining room. The space is enhanced by ornate ceiling coving and a large double-glazed window overlooking the front garden, allowing plenty of natural light to flood in.

A striking cabinet provides excellent storage and display space, ideal for books, artwork or personal items. The room is further complemented by a characterful gas stove set on a stone hearth, with an exposed brick chimney breast and timber mantel, creating a warm and inviting focal point.

A staircase leads to the first-floor landing, while the room flows seamlessly through into the kitchen, creating a sociable and practical layout.

Kitchen

The kitchen is both functional and stylish, fitted with a range of cupboards at both base and wall level, complemented by timber worktops and attractive tiled splashbacks. Downlighting enhances the kitchen, while a breakfast bar provides an ideal spot for casual dining.

There is an inset Belfast sink positioned beneath a double-glazed window, an integrated oven with four-ring gas hob and extractor hood above, and space for a freestanding fridge freezer.

A cantilever door opens to stairs leading down to the cellar.

Cellar

The cellar is particularly impressive in size, offering a large and versatile space with a window providing natural light. Currently used as a utility area and for storage. It also houses the property's gas boiler. It may also have the potential for further use/development, subject to requirements and any necessary approvals.

First Floor - Landing

The first-floor landing leads to the principal bedroom, bathroom and a further staircase to the second floor/second bedroom.

Principal Bedroom

A beautifully presented double bedroom with stylish décor, ceiling coving, a large double-glazed window, and a feature fireplace, creating a calm and elegant retreat.

Bathroom

The bathroom is finished to a high standard, featuring metro tiling and tasteful décor. There is a corner shower enclosure with a rainfall shower head and secondary flexible shower, a large vanity unit with inset sink, WC, and a double-glazed frosted window allowing ample natural light in.

Second Floor

The second floor boasts a spacious second bedroom with a dormer window. This versatile room is currently used as a snug and home office but would also make an excellent guest bedroom. The décor is stylish yet neutral.
