Tucked away within the highly sought-after Woodlea Development, this beautiful home offers a perfect blend of character, style, and modern living, all within a peaceful and picturesque setting.

Chancel Square itself is a standout feature, forming a gorgeous courtyard development accessed through an impressive grand archway that immediately sets the tone for what lies beyond. The development enjoys an idyllic yet premium feel, with block-paved pathways and mature, well-tended raised beds that create a tranquil and welcoming environment. Residents benefit from allocated parking, adding convenience to this already desirable setting.

Upon entering the property through a timber door, you are welcomed into a spacious and beautifully presented hallway. Styled in contemporary tones with a wood-effect floor and elegant coving to the ceiling, the hallway provides a warm and inviting first impression. There is also a useful under-stair storage cupboard, and from here, the layout flows seamlessly into the kitchen, the sitting room via a glazed door, and the staircase leading to the first floor.

The kitchen is both stylish and full of character, offering a rustic charm with a modern twist. Fitted with a range of units, it provides ample storage and is complemented by wood worktops and classic white metro-tiled splashbacks. A Belfast-style sink is perfectly positioned beneath twin mullion windows, offering a delightful outlook across the courtyard with its greenery and planting. There is space for a freestanding fridge freezer, dishwasher, and washing machine, while integrated appliances include an oven with a hob and extractor hood above. This is a truly inviting space, ideal for both everyday living and entertaining.

The sitting room is generously proportioned and finished in a contemporary colour scheme, enhanced by coving to the ceiling. Natural light floods the room through French doors, flanked by side windows, which open into a versatile dining room or garden room. This additional space is perfect for entertaining or simply relaxing while enjoying views of the garden. From here, further French doors lead outside to a well-maintained garden that offers both charm and privacy. A couple of steps rise to a lawned area, while at the top of the garden, a timber-decked seating area with a raised bed provides a wonderful sun trap—ideal for enjoying warmer months. Mature trees, plants, and hedging create a secluded and peaceful backdrop.

To the first floor, the landing leads to two well-proportioned double bedrooms and a stylish bathroom. The principal bedroom is tastefully decorated in neutral tones and offers ample space for furnishings, with two mullion windows overlooking the attractive courtyard. The second bedroom is equally well-presented, featuring a modern colour palette and views over the rear garden through its own mullion windows. The bathroom is finished to a high standard, incorporating a bath with a rainfall shower above and additional handheld attachment, a glass screen, a freestanding sink set atop a vanity drawer with contemporary wooden panelling above, a WC, and a heated towel radiator.

The Woodlea Development remains one of Meanwood's most desirable residential settings, renowned for its leafy and green surroundings. Enveloped by mature trees and thoughtfully landscaped spaces, it offers a peaceful retreat from the hustle and bustle of daily life. A well-used pathway weaves its way around the development, perfect for walking, jogging, or simply enjoying the outdoors. This path also conveniently connects to Meanwood Park and leads to The Myrtle Tavern, a highly regarded gastro pub situated near the local cricket pitch, further enhancing the sense of community and lifestyle appeal.
