5 Bedrooms
House - Detached

This unique property is ideally suited to multi generational living, providing the ability for independent living across both floors while remaining connected as one home. Each level benefits from its own entrance along with separate gas and electric supplies, creating a practical and versatile arrangement for extended families.

The ground floor offers generous living accommodation including multiple reception rooms, bedrooms, a well proportioned kitchen and shower room. The first floor, accessed via its own external entrance, provides equally spacious accommodation with lounge, kitchen, multiple bedrooms, bathrooms and an additional loft room.

Externally, the property continues to impress with established side and rear gardens, a substantial timber garden room, double driveway providing ample off road parking and a large garage with planning permission granted for the creation of a one bedroom bungalow within the grounds.
