This exclusive collection of beautifully converted farm buildings blends character and contemporary living in the most effortless way and this particular home, the largest in the row, is no exception. Being chain free and with three generous double bedrooms, two private parking spaces, and a wonderful sense of space throughout, it's perfectly suited to modern family life while retaining that all-important rural charm.

Step inside and you're welcomed by a practical entrance hall, ideal for coats, boots, and everyday living, before the home opens up into a stunning open-plan kitchen, dining, and living space. Bathed in natural light and thoughtfully designed, this is the true heart of the home. French doors lead seamlessly out to the garden, creating that perfect indoor-outdoor flow, and a convenient downstairs W.C adds to the practicality.

Upstairs, a spacious landing leads to three beautifully presented double bedrooms. The principal bedroom feels light, airy, and peaceful, with Velux windows and feature windows framing the surrounding views and filling the room with natural light. The additional bedrooms are equally well-proportioned, offering flexibility for family, guests, or even a home office. A modern family bathroom, complete with a panelled bath and shower over, W.C, and vanity storage, provides both style and functionality.

Outside, the property continues to impress. The rear garden is designed for easy enjoyment, with a paved seating area perfect for morning coffee or summer evenings, alongside a low-maintenance pebbled space ideal for pots and planting. To the front, there is a further paved area, a useful outbuilding currently housing utility appliances and private off road parking for two cars.
