Approached through double gates, the property immediately creates an impressive first impression. A landscaped and low-maintenance front garden features an attractive water feature, with a driveway providing parking.

Step inside and the quality and attention to detail become immediately apparent. The spacious dining kitchen is a particular highlight, enjoying an abundance of natural light through three front-facing windows. The contemporary kitchen is stylish, well equipped and designed with modern living in mind, complemented by attractive Karndean flooring. An open staircase creates a feeling of space, while a useful understairs storage cupboard adds practicality.

The sitting room is positioned to the rear of the property and provides a wonderful space in which to relax and enjoy views over the garden. A striking feature ceiling with inset lighting and integrated stereo sound creates a sophisticated ambience, while large patio doors provide a seamless connection to the exceptional rear garden.

To the first floor, a spacious landing with side-facing window leads to two generous double bedrooms, both benefiting from stylish built-in wardrobes and providing excellent storage. The accommodation is completed by a beautifully appointed and luxurious house bathroom, finished to a high contemporary standard.

Outside, the rear garden is quite simply stunning, thoughtfully landscaped over two levels to create a series of attractive and versatile spaces.
