Council Tax Band: D

PROPERTY DETAILS

Conveniently located just a short walk from the village centre, this modern four bedroom townhouse is well presented throughout and offers spacious, versatile accommodation arranged over three floors. The ground floor comprises a generous entrance hall with useful understairs storage, a double bedroom with adjoining shower room and internal access to the integral garage, finished with laminate flooring.

To the first floor there is a full width dining kitchen, well fitted with a range of wall and base units and integrated appliances and a bright sitting room. Both rooms enjoy French doors opening to Juliette balconies, creating light and airy living spaces ideal for modern family life or entertaining. The second floor provides three further bedrooms along with a well appointed family bathroom. The property is situated on a small and quiet residential cul-de-sac and benefits externally from off-street parking to a block paved driveway, along with a further low maintenance garden area.

Silsden is a popular Aire Valley town located close to the Leeds Liverpool Canal and offers a wide range of independent shops, cafés, pubs and eateries, together with two major supermarkets. The area is well connected via Steeton & Silsden railway station, providing links to Skipton, Ilkley, Bradford and Leeds.

An internal inspection is strongly recommended to fully appreciate the volume of accommodation on offer and the added bonus of having no upper chain.
