An affordable two double bedroom, inner stone built, terrace house with a generous rear yard, parking and further garden to the rear. Requiring some TLC, this property is an ideal choice for investors as the property is coming to market with its current tenant in situ.

Council Tax Band: A

PROPERTY DETAILS

An affordable two double bedroom, inner stone built, terrace house with a generous rear yard, parking and further garden to the rear. Requiring some TLC to bring it to its full potential but offered at an affordable price to take into account the necessary works, this property is an ideal choice for an investor as the property is coming to market with its current tenant in situ who has rented the property for the last 12 years.

The layout briefly comprises a sitting room leading into the inner hall with a useful keeping cellar and a return staircase leading to the first floor. The kitchen has direct access to the generous rear yard. The property benefits from gas central heating and sealed unit double glazing.

On the first floor, there are two good-sized bedrooms and a delightful Cobbydale bathroom. Outside, there is a generous rear yard and the property extends to the other side of the rear lane, providing parking and further garden area.

Elliott Street is located just outside the centre of Silsden, a small and growing town that offers excellent shops, bars, restaurants, coffee shops and a newly built primary school. This primary school serves as a feeder into the superb secondary South Craven School in the neighbouring village of Cross Hills. There are excellent commuting links either by bus or train.

For those looking for value for money in a convenient location, this is worth a closer look.
