Council Tax Band: B

## PROPERTY DETAILS

Judge this cottage solely from its exterior and you might easily overlook the charm and space that lies beyond. Step inside and you will discover a surprisingly roomy home offering superb accommodation across two floors, including two generous double bedrooms and a secluded walled rear garden. Viewing is truly essential to appreciate everything this delightful property provides.

Through a wrought-iron gate you enter the mature frontage, which leads you into a practical entrance vestibule—perfect for storing coats, shoes and everyday essentials. The spacious sitting room is full of character framed by an impressive inglenook fireplace housing a recessed multi-fuel stove. A cosy window seat, exposed ceiling beams and warm wood-effect flooring all contribute to the room's inviting atmosphere.

From here, continue into the contemporary dining kitchen thoughtfully designed with stylish floor tiling, a rear-facing window and a glazed door opening directly to the garden. Off the kitchen sits a very useful large storage room—an ideal utility area complete with power, lighting and a traditional stone-flagged floor.

The first-floor half-landing is illuminated by a rear elevation window and leads to a bright, spacious main landing with access to the loft via a pull-down ladder. The upper level offers two generous double bedrooms and a well-appointed three-piece bathroom suite in crisp white.

Outside, the cottage features a small, charming front garden while the rear enjoys a private, low-maintenance walled garden with a log store and a practical stone outbuilding—perfect for storage.

Sutton-in-Craven is one of the Aire Valley's most sought-after villages and it's easy to see why. The village boasts a superb park with a café, welcoming pubs, reputable schools, local shops and an unmistakable sense of community. The high street, part of the older section of Sutton, is lined with characterful stone-built homes. Excellent bus services link the village with nearby towns and neighbouring communities and for commuters the nearest train station is just 1.5 miles away in Steeton.

If you're seeking a charming and versatile home in a desirable location close to a wealth of amenities this cottage deserves your attention.
