PROPERTY DETAILS

Occupying an impressive corner plot in sought-after Brierfield, this versatile and much-loved home presents an exciting opportunity for buyers seeking space, potential and convenience. Having been owned by the same family from new, the property was originally designed as a three-bedroom home and could easily be restored to its original layout.

The ground floor features a spacious rear living room—perfect as a third bedroom or for creating additional flexible spaces—alongside a cosy second reception room, fitted kitchen, shower room and welcoming front porch. Upstairs, two generous double bedrooms and a bright house bathroom provide comfortable accommodation, with scope to reconfigure the current layout.

Outside, the home truly impresses. A wide, flagged driveway offers parking for several vehicles and leads to a detached garage with electric remote-operated door. The rear garden is a wonderfully private haven with a patio, lawn, mature planting, lighting, water tap, shed and greenhouse—an ideal setting for outdoor living throughout the warmer months.

With no upper chain, this is a rare chance to transform a long-standing family home into your own forever property.
