Council Tax Band: B

The accommodation briefly comprises an entrance hall, a well-proportioned and comfortable living room, and a modern breakfast-style kitchen fitted with a range of integrated appliances. The property offers three bedrooms, providing excellent flexibility for family living, downsizing, or those requiring space to work from home, together with a contemporary shower room.

Externally, the property benefits from a private driveway to the front elevation, offering off-street parking and access to the garage. To the rear, beyond the garage, is an enclosed lawned garden, providing a private and peaceful outdoor space ideal for seating, entertaining, or gardening.

Osgodby Crescent is ideally situated at the upper end of Osgodby, approximately $\frac{1}{4}$ mile from Cayton, and is well placed for access to a range of local amenities, including a village shop, public house, and well-serviced public transport routes. The location is particularly appealing to those seeking a balance of coastal living and everyday convenience, with the beautiful South Bay beaches and coastline just a short distance away.

Scarborough town centre, the Spa complex, scenic coastal walks, and major road links are all easily accessible, making this an excellent choice for a wide range of buyers.

This is a fantastic opportunity to acquire a ready-to-move-into bungalow in a desirable coastal location, and early internal viewing is highly recommended to fully appreciate everything this home has to offer.
