Council Tax Band: B

The property is presented in a modern style throughout and offers well-balanced accommodation, briefly comprising a comfortable living room, a contemporary fitted kitchen, and a conservatory/porch providing additional reception space. The two bedrooms are well sized and served by a well-finished, modern bathroom, which has been completed to a good standard and complements the overall presentation of the home.

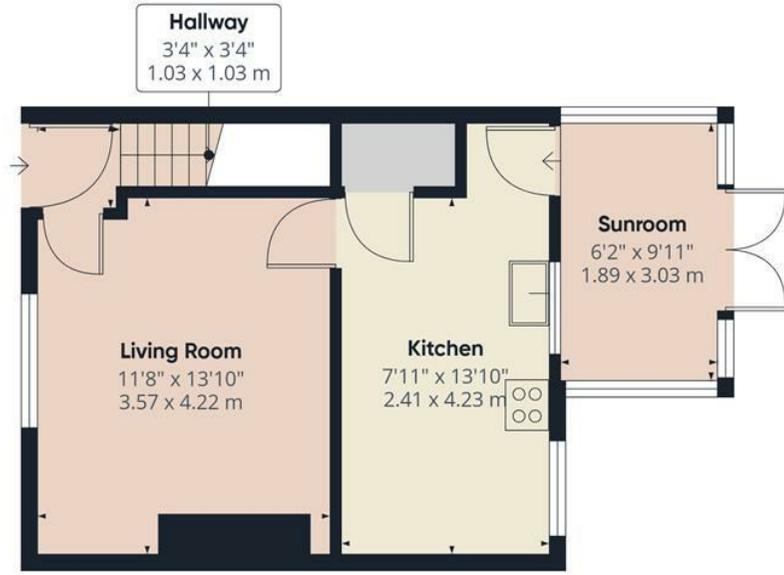

The property benefits from double glazing throughout and a recently installed boiler, which, if the EPC were to be reassessed, would be expected to improve the rating to a C, enhancing both energy efficiency and running costs.

Externally, the home enjoys a generous garden, ideal for those seeking outdoor space, along with off-street parking and a garage, providing excellent practicality and storage. The modern presentation internally, combined with the outside space, makes this a particularly appealing option for first-time buyers looking for a home ready to move into, as well as investors seeking a low-maintenance rental property.

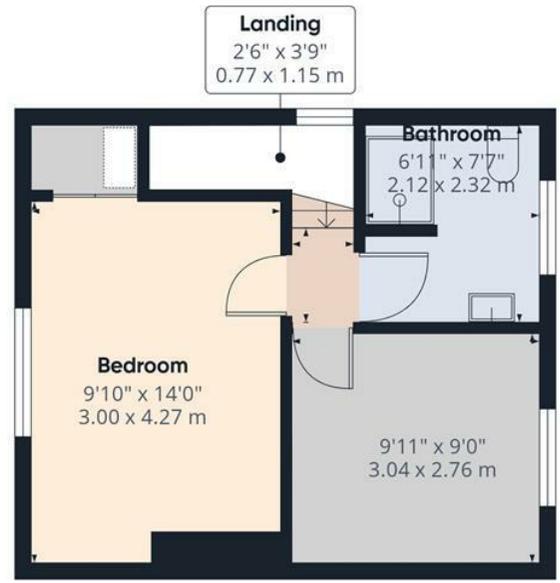

Situated in a convenient and well-regarded residential location, Moor Lane offers easy access to local amenities, schools, and transport links, with Scarborough town centre and the North Bay within close proximity.
