FULL DESCRIPTION

This mid-terrace house provides a well-proportioned two-bedroom layout, perfectly suited for modern living and presented in excellent condition. The entire property has been recently redecorated throughout, offering a fresh, neutral canvas for the new owners, greatly enhanced by the addition of brand new carpets and vinyl flooring. Upon entering, the ground floor features an entrance hall that leads directly into a functional kitchen, measuring 2.43m x 1.75m as detailed on the floorplan. The kitchen is equipped with neutral white cabinetry, contrasting dark countertops, an integrated oven and electric hob, plumbing for a washing machine, and a wall-mounted boiler. The spacious lounge, measuring 4.39m x 3.75m, is located at the rear of the property and benefits from a highly useful under-stair storage cupboard. Natural light floods this newly carpeted reception room through the wide sliding glass doors that open directly onto the rear patio.

Stairs from the ground floor hallway lead to the first-floor landing, granting access to two bedrooms, a family bathroom, and a built-in storage cupboard. Bedroom one is a comfortable double room facing the front of the property, measuring 3.09m x 2.79m. Bedroom two, overlooking the rear garden, measures 3.73m x 2.00m and serves exceptionally well as a single bedroom, nursery, or a dedicated home office. Both bedrooms benefit from the newly fitted carpets and fresh decoration. The bathroom features a traditional white suite, including a panel bath with a wall-mounted electric shower, a pedestal wash basin, and a WC, all complemented by part-tiled walls and new wood-effect vinyl flooring for easy maintenance.

Externally, the property is approached via a low-maintenance gravelled area to the front with a practical entrance canopy. The rear garden is fully enclosed by timber panel fencing, offering a high degree of privacy and security. The outdoor space includes a paved patio area immediately outside the lounge doors for outdoor seating, a central lawn section, and a convenient red timber gate providing rear access.
