DESCRIPTION

This beautifully presented and spacious top-floor apartment is located in the sought-after suburb of Sprowston, just a short distance from both Norwich city centre and the Norfolk Broads. Built in 2016 and offered with no onward chain, this property is perfect for first-time buyers, investors, or those seeking a well-connected second home.

Positioned on the top floor of a well-maintained, three-storey building, this is one of only two apartments on the level, offering a quiet and private setting. Inside, the layout has been thoughtfully designed to make the most of the available space, with all rooms accessed via a welcoming entrance hall that includes loft access, a secure intercom entry system, and a built-in storage cupboard.

The bright and airy open-plan living and dining area features French doors that open to a Juliet balcony, allowing plenty of natural light to flood the space. This leads seamlessly into a contemporary kitchen fitted with a range of units and integrated appliances, including a fridge freezer, dishwasher, washing machine, gas hob with extractor hood, and a double oven. Recessed ceiling lights and practical vinyl flooring complete the kitchen’s sleek, modern feel.

The principal bedroom enjoys a quiet rear aspect and benefits from a fitted wardrobe and a generous en-suite shower room with a double cubicle, pedestal wash basin, WC, extractor fan, and radiator. The second bedroom, also positioned at the rear of the apartment, is a good-sized double room and is currently being used as a home office, making it an ideal space for remote working or guests. The main bathroom is equally well-appointed, featuring a panelled bath with shower over, a pedestal basin, WC, heated towel rail, and vinyl flooring.

Outside, the property benefits from an allocated parking space located directly behind the building, along with a visitors’ parking space nearby. Communal areas are clean and well-maintained, reflecting the care taken throughout the development.

This is a fantastic opportunity to secure a stylish and low-maintenance home in a highly convenient location, with no onward chain. Early viewing is highly recommended.
