Important notices

Nothing concerning the type of construction or the condition of the structure is to be implied from the photograph (or artists impression) of the property. Items shown in photographs are NOT included unless specifically mentioned within the sales particulars. Certain items may however be available by separate negotiation. The measurements supplied are for general guidance, and as such must be considered as incorrect. A buyer is advised to re-check the measurements themselves before committing themselves to any expense. The Agent has not tested any apparatus, equipment, fixtures, fittings or services, and so does not verify they are in working order, fit for their purpose, or within ownership of the sellers, therefore the buyer must assume the information given is incorrect. Neither has the Agent checked the legal documentation to verify legal status of the property or validity of any guarantee. A buyer must assume the information is incorrect, until it has been verified by their own solicitors. The sales particulars may change in the course of time, and any interested party is advised to make final inspection of the property prior to exchange of contracts. A buyer must check the availability of any property and make an appointment to view before embarking on any journey to see a property. References to the Tenure of a Property are based on information supplied by the Seller. The Agent has not had sight of the title documents. A Buyer is advised to obtain verification from their Solicitor.

Any reference to alterations to, or use of any part of the property, is not a statement that any necessary planning, building regulation or other consent has been obtained. A buyer must assume the information is incorrect until it has been verified by their own solicitors.
