AML & Extra Services

Money Laundering Regulations –

In order to comply with Anti-Money Laundering Regulations, all prospective purchasers will be required to provide satisfactory photographic identification, proof of address/residency, verification of the source of funds for the purchase (including supporting bank statements evidencing any deposit monies), and a copy of a mortgage Agreement in Principle from the appropriate lender where applicable.

Photographic identification and proof of address will normally be validated through an electronic identity verification process, which includes biometric checks, meaning certified hard copies are not usually required. However, we reserve the right to request copies of identification or address documents where considered necessary, to satisfy our legal or compliance obligations. All parties involved in the purchase must complete this verification at a cost of £30.00 plus VAT per person.

Extra services -

By law, the agent must tell the client if the agent or any connected person intends to earn any commission or any

other fees from offering or referring other services to the client or buyer. If the agent or any connected person earns money from any of these services or referrals the agent or the connected person would keep this commission or fee. Part of the payment for these extra services will be paid to the agent as a result of the referral.

Scriven & Co offers the following services and has the following referral arrangements in place: It is the clients' or buyers' decision whether to choose to deal with any of the service providers.

Scriven & Co routinely refers sellers (and buyers) to a Financial Services Company. Should the client or a buyer decide to use this company please note that Scriven & Co receive a payment from them equating on average to a figure in the order of £200 per referral.

Scriven & Co routinely refers sellers (and buyers) to certain firms of solicitors/conveyancers. Should the client or a buyer decide to use any of these companies please note that Scriven & Co receive a payment from these companies equating to a figure in the order of £100-£200 per referral. We are informed that the solicitors/conveyancers are happy to pay this referral fee to ourselves as it significantly reduces the marketing costs that they have to allocate to sourcing new business. The referral fee is NOT added to the conveyancing charges that would ordinarily be quoted.

The agent routinely refers sellers (and buyers) to a Removals and Storage Company. Should the client or a buyer decide to use this company the client or a buyer should know that the agent receives a referral fee to the value of £70 plus VAT from them for recommending a client or buyer to them.
