PROPERTY DESCRIPTION

Smart Millerson Estate Agents are delighted to present this spacious two-bedroom first-floor apartment to the market. Situated within the popular location of St Columb Road, this well-proportioned home is offered for sale with no onward chain and vacant possession, making it an excellent opportunity for first-time buyers, investors and those looking to downsize alike. Whilst the property would benefit from a programme of modernisation, it offers fantastic potential for purchasers to update and personalise to their own tastes, creating a comfortable home or investment property.

The accommodation briefly comprises a welcoming entrance hallway with doors leading to a generous lounge, two well-proportioned double bedrooms, a fitted kitchen and a family bathroom. The property enjoys a practical and well-balanced layout, with good natural light throughout and ample scope for improvement.

A particular feature of the property is the generous enclosed rear garden, which is predominantly laid to lawn and provides a wonderful outdoor space for relaxing, entertaining or enjoying al fresco dining during the warmer months. Whilst there is no allocated parking, ample unrestricted on-street parking can be found nearby.

The property is a repaired Cornish Unit, and we have been advised that it is mortgageable, with a valid PRC Certificate in place. It will be granted a existing 990-year lease upon completion and is connected to mains electricity, water and drainage. Heating is provided via an energy-efficient air source heat pump.
