PROPERTY DESCRIPTION

Smart Millerson Estate Agents are delighted to present this well-positioned two-bedroom mid-terrace property to the market, offering an excellent opportunity for investors. Offered with the added advantage of no onward chain and vacant possession upon completion, making it an appealing proposition for those looking to move or invest without delay, with an estimated rental income of approximately £800 per calendar month, offering a highly competitive rental yield of around 9.6% and making this an attractive addition to any investment portfolio. The property is of traditional Cornish unit construction and is therefore being sold to cash buyers only.

In brief, the accommodation is accessed via a bright and welcoming entrance area which leads into a generously proportioned sitting room. The well-appointed kitchen/diner forms the sociable heart of the home, offering an excellent balance of practicality and space. Featuring a comprehensive range of wall and base-mounted storage units alongside substantial worktop space.

To the first floor, the property continues to offer two well-proportioned bedrooms, each enjoying a comfortable level of space and versatility. These rooms are ideal for use as main sleeping accommodation, guest rooms, or even a home office space depending on individual requirements. The first floor is completed by a modern wet-room, providing a practical and low-maintenance bathing solution that is particularly convenient for modern living.

Externally, the property benefits from a hard-standing rear garden, designed with ease of maintenance in mind while still offering a pleasant outdoor area to enjoy. The inclusion of a useful storage room or workshop adds valuable functionality to the property, providing space for tools, hobbies, or general household storage.

The property is conveniently connected to mains water, electricity, and drainage services, ensuring modern comfort and practicality. It falls within Council Tax Band A.

LOCATION

THE ACCOMMODATION COMPRISES

(All dimensions are approximate)
