The rooms could easily function as family bedrooms, guest accommodation, or home office space depending on individual requirements. The family bathroom is well appointed and finished in a modern style, providing a relaxing environment for everyday use.

Externally, the property enjoys a practical and low-maintenance rear garden which has been designed to maximise outdoor enjoyment with minimal upkeep. To the front of the property, the paved driveway provides off-road parking for multiple vehicles, offering convenience for households with several drivers or visitors. Additionally, there is a useful storage area accessed via barn-style doors, providing the ideal solution for storing recycling bins, outdoor equipment, or seasonal items.
