PROPERTY DESCRIPTION

Smart Millerson Estate Agents are delighted to present this tucked-away, three-bedroom character cottage to the market, an exceptional home that perfectly captures the romance of Cornish countryside living. Nestled within one of the area's most desirable and well-regarded locations, the property enjoys a rare balance of peaceful seclusion while remaining conveniently positioned for access to local amenities, reputable schools, and excellent transport links. Occupying a commanding position within a generous and beautifully established plot, this charming residence offers an outstanding opportunity to acquire a lifestyle as much as a home, your very own slice of Cornwall.

From the moment you arrive, the cottage exudes warmth and character. A bright and welcoming entrance hall sets the tone, hinting at the thoughtfully maintained interiors beyond. The kitchen is both practical and full of rustic appeal, fitted with a comprehensive range of wall and base units that provide ample storage and workspace. At its heart sits a rangemaster double oven, perfectly in keeping with the home's heritage and ideal for those who appreciate traditional country cooking. The kitchen flows seamlessly into the dining room, a wonderfully light-filled space framed by multiple windows that bathe the room in natural light while offering delightful views across the gardens. Just off the dining room, the property further benefits from a convenient downstairs W.C., an ideal addition for guests and everyday practicality.

Undoubtedly the centrepiece of the home is the characterful lounge. Rich in charm, it boasts exposed raised beams and a striking stone fireplace that was lovingly uncovered by the current owners, restoring a beautiful original feature to its former glory. Within the fireplace sits a fully operational multi-fuel burner, creating a cosy and atmospheric setting during the colder months, a perfect retreat after long countryside walks or blustery coastal days.

Ascending to the first floor, the cottage continues to impress with three generously proportioned bedrooms, each offering comfortable and versatile accommodation. Whether utilised as restful sleeping quarters, a home office, or creative space, these rooms adapt effortlessly to modern family living. The family bathroom is thoughtfully appointed, featuring both a bath and separate shower, providing convenience and flexibility for busy households.

Externally, the property offers an abundance of additional space and exciting potential. A range of outbuildings and workshops serve a variety of purposes, catering to hobbyists, tradespeople, or those simply in need of substantial storage. One of these outbuildings has already been cleverly converted into a fully functioning utility area, complete with power and plumbing for washing appliances. Subject to the relevant planning permissions, there is excellent scope to further develop these buildings into additional living accommodation, guest quarters, or a home studio, making this property as versatile as it is charming. The inclusion of a one-and-a-half-length garage further enhances its appeal, providing secure storage for vehicles, equipment, or recreational gear.

The gardens are nothing short of spectacular and undoubtedly one of the home's most captivating features. Enclosed and wonderfully private, they create a peaceful sanctuary brimming with mature trees, established shrubs, and vibrant seasonal planting. There is a true sense of retreat here, whether you are nurturing the flourishing borders, hosting summer soirées, enjoying relaxed al fresco dining, or simply unwinding beneath the Cornish sun. The grounds provide a safe and serene environment suitable for families, gardening enthusiasts, and entertainers alike.

To the front, the property is approached via a private entrance along a shingled driveway, offering ample off-road parking for several vehicles and enhancing the overall sense of exclusivity and privacy.

The property is connected to mains water and electricity, with drainage served by a septic tank. Heating is provided via oil-fired radiators, ensuring comfort throughout the seasons. The home falls within Council Tax Band C.
