Situated in arguably one of Launceston's most sought after areas at the end of this private residential no through lane where its rare for properties to come to market. Millerson are pleased to offer this older style home which has been in the same family for many years and will allow the discerning buyer to definitely add their own personal touches. Externally, the property has been well maintained, but internally the accommodation needs updating and in brief offers an Entrance Porch, Entrance Hallway, triple aspect Sitting/Dining Room, Kitchen with Pantry and a spacious downstairs Wet Room providing disability facilities that could be easily revamped to create a luxury Bath/Shower Room. Upstairs are two good size Double Bedrooms and a Single Bedroom, with the front Bedroom enjoying partial views of the Castle, Town and Countryside. Modern double glazing throughout and mains gas central heating being served by a modern 'Worcester' combination boiler. We believe the size of the plot will offer space to extend to the side and the rear of the property and maybe options to incorporate the Garage and Outhouse into the main accommodation, which of course would be subject to any necessary planning consents. There is a driveway with ground to the side, which could be excavated to create more parking if required. In all, a MUST BE VIEWED property to fully appreciate what this home could offer and those wanting to have a feeling of countryside living, space and within close proximity of the town and its extensive range of amenities.

LOCATION

Enjoying a sought after and convenient location on St Stephens Hill, being only a short walk from the famous independent school of St Josephs, renowned primary school at St Stephens and an excellent 18 hole Golf Course. Launceston, the gateway to Cornwall, is an historic market town in North Cornwall right on the Cornwall/Devon border offering good access to the Cornish coast and Bodmin Moor. The town is famous for the Castle which dates back to medieval times and dominates the landscape sitting proudly at the highest point. Benefitting from facilities including several supermarkets, including Marks & Spencer Food Hall, Tesco and Lidl. Schools and well regarded local butchers and bakers. Launceston has a monthly open air Market which is in the town square where you can browse the stalls and purchase local produce and crafts. From the town, Plymouth is within easy reach via the A388 being approximately 26 miles, whilst the A30 trunk road offers good access west to Truro approximately 47 miles and east to Exeter approximately 41 miles. The nearest mainline train stations can be found in Okehampton, Gunnislake and Liskeard, being approximately 20, 16 and 20 miles respectively from Launceston.
