There is one step into the cabin (although we have special ramps for wheel chair access) and it's on one level throughout so perfect for guests with mobility issues. The doors are wide, there is plenty of room in the bedrooms and around the furniture, and the bathroom is a walk-in rainforest shower.

There are cathedral style ceilings, and the spacious living space is open plan with large leather sofas, electric fire and TV. The dining area has dining table and 6 chairs.

The kitchen is bright and has all the appliances you need for a home away from home holiday, including washing machine, dishwasher and large fridge freezer.

There are three bedrooms sleeping six guests. The main double bedroom is spacious with bedside tables, wardrobes, drawer units, and TV. The two twin rooms have single beds, bedside tables, wardrobes and one has a TV.

The luxury wet room is designed of disabled access and is also very spaious. There is a walk-in rainforest shower, sink unit built into a vanity unit, WC, towel rail and storage unit.

Externally there is a large hot tub and seating area, the grounds are secluded and private and ideal for pets and children. There is a under cover bar area and veranda and ample parking for 5 vehicles.

Underfloor heating adds that cosy aspect, so it's warm throughout the year. The owners designed this cabin to live in themselves so it has everything that you could wish for.

On the doorstep to everything Northumberland has to offer, it's a luxurious getaway that you won't forget in a hurry.
