## Property Details

### Area

Bearwood is a suburb on the north-western edge of Bournemouth, located at the bottom of the Stour Valley and taking its name from the ancient strips of woodland surrounding the area. Conveniently located between all main towns, the property also has many local facilities, with a number of shops, pubs and restaurants. Local schools, clubs and community groups are also close by, making it an ideal family location

### Description

Accommodation Comprises. Front door to Entrance Hall, doors to all rooms, cupboard housing hot water tank with Hive control unit, hatch to loft space with loft ladder, insulated, part boarded, light.

Lounge, double aspect making a bright and airy room, feature stone fireplace with inset modern electric living flame fire.

Kitchen/Breakfast Room, range of work surfaces with matching breakfast bar, eye and low level storage cupboards and drawers, space for appliances, fully tiled, double aspect to side and rear, door to Rear Porch, built in storage cupboards.

Bedroom One, a generous sized double room with range of built in wardrobes, double aspect with windows to rear garden.

Bedrooms Two and Three, both double rooms with windows to front aspect. Bathroom, modern shower room and fittings, glazed shower cubicle, vanity wash hand basin, low level w.c, part

tilled, heated towel rail, window to rear.

Additional separate w.c, part tiled, window to rear.

Outside the rear garden enjoys a West facing sunny aspect, mainly paved for easy maintenance, bordered by various mature shrubs and bushes which offers a good deal of seclusion, wooden garden shed, side access, personal door to Garage, power and light sealed floor, electric roller shutter door. Front, providing ample off road parking for numerous vehicles, in and out driveway.

### Tenure

Freehold

The property has the benefit of solar panels that have been fully paid for. There is no outstanding 'green loan' payable.

The current owners are receiving a monthly amount back from the Grid.

EPC Rating, Please note that the EPC shown was commissioned before the solar panels were installed.

We would estimate a new EPC would show a lower rating.

▲ Ground Floor

| Energy Efficiency Rating                    |             |
|---|-------------|
| Very energy efficient - lower running costs | (92 plus) A |
|   | (81-91) B   |
|   | (69-80) C   |
|   | (55-68) D   |
|   | (39-54) E   |
|   | (21-38) F   |
| Not energy efficient - higher running costs | (1-20) G    |
| EU Directive 2002/91/EC                     | 64          |
| Potential                                   | Current     |
