Property Details

Nestled in a central and highly sought-after location, this exceptional four-double-bedroom bungalow offers a rare combination of space, light, and convenience. From the moment you step inside, the property feels bright and welcoming, with natural light flowing effortlessly throughout.

A spacious entrance hall sets the scene, with two generous double bedrooms positioned on either side. Further down the hall, you will find two additional double bedrooms, all four offering comfortable proportions and excellent versatility. These rooms are thoughtfully served by a family bathroom, which features a bath with an over-bath shower—practical for both quiet evenings and busy mornings.

At the heart of the home lies the open-plan living and dining room. Generously sized and bathed in natural light, this space is perfect for both everyday family life and entertaining guests. The adjoining kitchen provides plenty of cupboard space and comes equipped with an oven and a washer dryer, offering a functional layout ready for your personal touch.

One of the most attractive features of this lovely property, however, is the garden. Predominantly laid to lawn and bursting with a beautiful array of flowers, it offers a private and tranquil outdoor haven—ideal for children to

play, for gardening enthusiasts, or for simply unwinding in the warmer months.

Outside to the front, the property continues to impress with a driveway large enough to accommodate three or four vehicles, in addition to a separate garage providing further parking or useful storage space.

****Please note that three of the bedrooms are currently having their carpets changed, meaning you can move in with fresh new flooring already in place****
