4 Bedroom House - Mews located in London

Located in the heart of Camden, this beautifully presented three-bedroom, one-office mews house offers contemporary living across two floors, with three generous balconies and distinctive Art Deco styling throughout.

Tucked away on a quiet cobbled mews, this stylish, fully furnished home provides an exceptional blend of character, space, and natural light. Steeped in history, the property was formerly a firework factory, adding a unique industrial heritage to its charm.

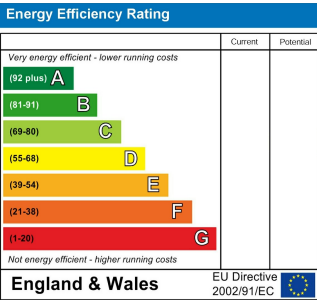

The ground floor comprises three well-proportioned bedrooms, a modern family bathroom, and a separate office ideal for working from home. The layout offers flexibility for families, sharers, or professionals seeking additional workspace.

Upstairs, the property opens into a stunning open-plan living and dining area with a sleek, fully fitted kitchen. The space is flooded with natural light and opens directly onto a substantial private balcony, perfect for entertaining or relaxing. Two additional large balconies further enhance the home, creating rare and versatile outdoor spaces in a prime London location.
