Garden & Grounds

To the edge of St Nicholas Village, Cae Newydd is a well established modern development of family homes with no. 57 located to the very far northern end. It enjoys an outstanding location bordering fields and farmland to the rear. Approached via a drop down kerb, a broad, double width driveway fronts the garage and provides parking for two cars. A path runs past a lawned front garden to the principal entrance doorway. An electric up and over door leads into the integral double garage, a multi-purpose, flexible space. Gated entrances, to two sides of the property, lead into the rear garden. The rear garden itself is a level space enclosed by fencing and hedging. A paved sitting area is accessed directly from the dining space with a flint-chip surround leading, in turn, onto a larger area of lawn. A flagstone paved path runs beside raised, timber borders and continues to a flagstone-paved, pergola-covered seating area - the ideal spot from which to enjoy the sunshine.
