## Summary of Accommodation

### Title Here

The Croft is a detached family home, understood to have been built in the 1950's and significantly extended and modernised in recent years to provide a most sizeable additional living space. It has been thoroughly refurbished throughout with a wonderfully soothing calm palette and quality fittings and provide spacious family-friendly accommodation. Steps lead up to the entrance porch and through a glazed door with bevelled glass panes into the ground floor hallway. A staircase leads from here to the first floor while doors lead to the both reception rooms, to the kitchen-living-dining room and also to a cloaks cupboard/WC. To the western side of the property is a sunny sitting room with windows to three elevations and double doors opening to the rear, south facing patio with garden beyond. It has, as a focal feature, an "Ironwood" stove recessed within a Minster-style fire surround. A second generous reception room has a bay window also overlooking the rear garden and again featuring a wood burning stove. The largest, most impressive space is a kitchen/living/dining area incorporating sizeable single storey extension with two lantern lights over. Lantern lights above provide natural illumination to the dining and living areas both these respective spaces having bi-fold doors opening to the rear garden. This great addition is open plan to the comprehensively fitted 'Neptune' kitchen, incorporating a quality range of units with quartz tops extending, in part, to form a breakfast bar. Appliances were fitted are to remain and include: 'Neff' hob, 4-oven combination including traditional oven, grill and microwave, wine cooler fridge and fully integrated dishwasher. Space remains for an American style freestanding fridge freezer (not included).

To the first floor the largest bedroom suite enjoys a wonderfully sunny aspect and features its own walk-in fitted dressing room, stylish en suite shower room and additional neat wardrobes. A second bedroom has fitted wardrobes and its own en suite shower room; and a third double bedroom features further fitted wardrobes. All these three bedrooms enjoy a southerly aspect looking out over the rear garden. The fourth bedroom includes wardrobes and a connecting door leading to an additional multi-purpose dressing room/study with additional storage beyond. A separate family bathroom serves the third and fourth bedrooms.

The rear of the property enjoys a fine southerly aspect. The leisure suite itself includes a great gym/games/TV room opening to its own paved patio area and featuring adjoining work beauty treatments room and a adjoining store shed.
