Summary of Accommodation

About the property

Min Y Nant is an effortlessly stylish modern home, kept in exceptional, immaculate order. It provides deceptively spacious family accommodation set within a well proportioned plot and located in one of the ever popular Vale Villages. Entrance porch opens into a ground floor double height hallway with galleried landing over. A tiled floor extends from the hallway throughout the ground floor. A dining area with floor to ceiling glass window positioned to look directly out over fishpond with garden beyond. An extremely broad sliding door can divide the dining area from the lounge and from which bi-fold doors open to the rear garden. It includes a contemporary wood burning stove to one corner. Two steps lead down from the hallway to the kitchen/breakfast room. The kitchen area itself is fitted with a most comprehensive range of storage units with appliances, where fitted, to remain including: gas hob, twin electric ovens, steam oven, microwave/oven combi, coffee machine, warming drawer and fully integrated dishwasher. An American style fridge/freezer is available by separate negotiation; there remains ample room for a dining table. Steps lead up to an additional family sitting room with central doors opening to the rear garden. To the ground floor, there is an additional neat multi-purpose study/playroom; a cloakroom; and a utility room with space/plumbing for washing machine. A further door opens into the integral garage.

To the first floor, the light-filled galleried landing area has doors leading to all four bedrooms and to the family bathroom. The principal, largest bedroom is of most impressive proportions, open to the pitch of the roof with floor to ceiling glazing and doors opening onto a balcony looking over the rear garden. It includes a dressing area with mirrored wardrobes linking through to a Jack and Jill bathroom. From the bedroom area itself a staircase leads to a versatile dressing area / study / store. There are three further double bedrooms, the third bedroom having shared use of the Jack and Jill en suite bathroom to the master bedroom. The second largest bedroom has a raised sleeping area and stairs up to a further study/playroom space. Stylish family bathroom includes bath and separate shower cubicle.
