Summary of Accommodation

About the property

A delightful cottage, created from the original four walls of an older property and significantly extended with great care and consideration, offering a deceptively spacious and characterful family home. Occupying a generous plot of approximately a quarter of an acre, the property enjoys a wonderful semi-rural setting with beautifully maintained gardens and open farmland to the rear. Extending to approximately 2600 sq ft of accommodation, this inviting home successfully combines period charm with practical modern family living. The heart of the home is the impressive open-plan kitchen and living space, centred around a traditional two-oven Rayburn stove. A comprehensive range of fitted units is complemented by an electric oven, integrated fridge and dishwasher, all of which are included within the sale. The room comfortably accommodates a substantial dining table, currently seating up to twelve guests, making it ideal for both everyday family life and entertaining. Leading directly from the kitchen is a walk-in pantry, fitted with an extensive range of shelving and white goods, while a separate utility room provides space and plumbing for both a washing machine and tumble dryer. An inner hallway provides access to the first floor and connects the principal reception spaces. The family lounge occupies what was originally the largest section of the cottage and is rich in character, featuring reclaimed timber beams and a striking inglenook fireplace with oak mantel. At the opposite end of the room, a large picture window frames delightful views across the flagstone terrace, immaculate lawn and neighbouring farmland beyond. Two additional interconnecting ground-floor reception rooms offer exceptional flexibility and are currently utilised as a sitting room and study, the latter benefiting from a fitted desk and matching bookshelves. Both rooms enjoy attractive garden views through large picture windows, while a door provides direct access to the terrace. Together, these rooms could readily be adapted to provide additional bedroom accommodation if required.

The first floor offers three exceptionally generous double bedrooms. The principal bedroom benefits from a range of fitted wardrobes and a walk-in dressing area. A further spacious double bedroom enjoys fitted storage and easy access to useful eaves space, while the remaining bedroom is also of an excellent size with its own en suite shower room / wc. Completing the accommodation is a traditional family bathroom featuring a panelled bath, wash basin set within a marble-topped vanity unit, and an extensive range of fitted storage and shelving. Outside, the property is set within mature and beautifully maintained gardens extending to approximately a quarter of an acre. A flagstone-paved terrace provides an ideal setting for outdoor dining and entertaining,
