Summary of Accommodation

About the property

A supremely well positioned, semi detached property located within yards of the centre of Cowbridge and all its shops and amenities. Understood to have been built around 50 years ago, it provides much scope to modernise and improve if ever required. From North Road, an entrance porch opens into the family lounge. A bow window from here looks to the front elevation and onto playing fields beyond. A broad, open arch links to the adjoining dining room; a straight flight of stairs runs to the first floor bedrooms. Like the lounge, this extra reception space runs the width of the property. Beyond is the kitchen, a neat space fitted with a range of modern units. Freestanding electric hob and oven (to remain); space for a low level fridge and plumbing in place for a slimline dishwasher. A window overlooks the rear garden and a second window looks into the utility area. A second door from the dining room leads to a very useful lean-to utility area providing much extra storage with space/ plumbing for a washing machine and an additional appliance. The quarry-tiled floor extends into a rear entrance lobby, leading to the kitchen, while a ground floor cloakroom is beyond.

To the first floor, a central landing area has doors opening to all three bedrooms, to the bathroom and to a shower room. The two largest, double bedrooms are to the front and both look over North Road onto playing fields. A third, single bedroom enjoys a southerly aspect. Both the bathroom and the adjoining shower room look to the rear of the property.

Garden & Grounds

Located on North Road, 1 Stockwood Mews is in a most enviable position within yards of the centre of Cowbridge Town. Access to the property is via a pull in off North Road; a lane leads to the side of the property, giving access to the garage / parking for the property. Immediately to the rear of the property and overlooked by the kitchen is a paved, low maintenance courtyard garden enjoying a southerly aspect. It is entered from a rear entrance porch or from the driveway via a gated entrance.
